

THE SOCIETY OF COMPOSERS & LYRICISTS NY

Don't miss this rare opportunity to pose your own question to one of Broadway's most exciting composers of the last three decades.

in collaboration with **NYU Steinhardt**
presents "Composer to Composer"

featuring **HENRY KRIEGER**

Come join the SCL and spend a very personal evening with **Broadway veteran composer Henry Krieger** as he is interviewed by fellow NY theater composer and SCL member **Rob Reale**.

Mr. Krieger's credits include numerous musical theater scores including **Dreamgirls**, **Side Show** and **The Tap Dance Kid**. He is one of only three individuals ever to land a triple nomination for an Oscar in the Best Song category.

This SCL event will focus on Mr. Krieger's own account of his journey from cabaret pianist to Broadway hitmaker as well as anecdotes from his long and successful career. Featuring live performances of several of his theater songs by Broadway stars **Norm Lewis** and **Betsy Wolfe**, as well as a surprise (and rare) performance of a **Dreamgirls** classic. Musical direction by **Andy Einhorn**.

The event will take place in the Frederick Loewe Theatre in New York University's Steinhardt School. The evening is co-sponsored by the Program in Scoring for Film And Multimedia, under the direction of Ron Sadoff, within the Department of Music and Performing Arts Professions, Lawrence Ferrara, Director.
